Case No. 21-cv-01158

Hon. Rebecca R. Pallmeyer

Plaintiffs,

v.

GREATER NEW YORK MUTUAL
INSURANCE COMPANY,

Defendant.

IT IS HEREBY STIPULATED AND AGREED, by and between Plaintiffs Danshir, LLC and Danshir Property Management, LLC (the “Representative Plaintiffs”), individually and on behalf of the Settlement Class as defined herein, and Defendant Greater New York Mutual Insurance Company (“GNY” or “Defendant”), individually and on behalf of itself and its affiliates, in consideration of the promises and covenants set forth in this Stipulation and Settlement Agreement (“Agreement”) and, upon entry by the Court of an order of Final Judgment in the lawsuit captioned *Danshir, LLC, et al. v. Greater New York Mut. Ins. Co.*, No. 21-cv-01158 (“Action”), and the matters raised by Representative Plaintiffs in the Action against Defendant are settled, compromised, and dismissed on the merits and with prejudice on the terms and conditions set forth in this Agreement.

1.0 RECITALS

1.1 On July 24, 2020, the Illinois Appellate Court for the Fifth District issued an opinion in a case entitled *Sproull v. State Farm Fire and Casualty Company* (No. 5-18-0577)

(2020 IL App (5th) 180577), addressing the propriety of deducting nonmaterial depreciation from actual cash value payments when adjusting claims for structural losses.

1.2 On October 2, 2020, the defendant in *Sproull* filed a Petition for Leave to Appeal with the Illinois Supreme Court, asking the Supreme Court to review the Illinois Appellate Court's decision in *Sproull*.

1.3 On November 18, 2020, the Illinois Supreme Court accepted the Petition for Leave to Appeal in *Sproull*.

1.4 On January 15, 2021, the Representative Plaintiffs filed the Action against Defendant in the Circuit Court of Cook County, Illinois. After being served, Defendant removed the Action to this Court on March 3, 2021. Dkt. 1. The Representative Plaintiffs allege that Defendant improperly deducted nonmaterial depreciation from actual cash value payments when adjusting claims for structural losses under Defendant's policies. The Representative Plaintiffs alleged claims on behalf of a class of Defendant's insureds with structural loss claims in Illinois for breach of contract and declaratory relief.

1.5 On March 10, 2021, Defendant filed its Answer to the Representatives Plaintiffs' Complaint.

1.6 On March 25, 2021, the parties jointly moved to stay this case pending the outcome of the Illinois Supreme Court's decision in *Sproull*. Dkt. 13. The parties explained that the resolution of *Sproull* would likely be directly relevant to the instant matter, as both cases involved plaintiffs who alleged a breach of contract claim based on an insurer's alleged application of depreciation to certain components of its replacement cost calculation (*e.g.*, labor) when calculating actual cash value on structural damage claims. *Id.* The Court granted the parties' motion and stayed the case on March 29, 2021. Dkt. 15.

1.7 On September 23, 2021, the Illinois Supreme Court issued its ruling in favor of the plaintiff-insured, finding that State Farm could not depreciate labor in calculating actual case value. *Sproull v. State Farm Fire & Cas. Co.*, 2021 IL 126446, ¶ 1.

1.8 On October 10, 2021, the Parties filed a joint status report, notifying the Court of the *Sproull* decision and requesting that the Court lift the stay in the Action. Dkt. 18. On October 14, 2021, the Court lifted the stay of litigation and ordered the parties to meet and confer and submit a Report of Planning Meeting, which they did on November 1, 2021. Dkts. 19 and 20. Thereafter, the Court entered a scheduling order. Dkt. 21.

1.9 The Parties then engaged in informal discovery, including Defendant producing class-wide claims data and other documents.

1.10 The Parties agreed to use Hon. Magistrate Judge Stephen C. Williams (Ret.) as a private mediator to facilitate settlement discussions. The Parties participated in a full-day mediation session with Judge Williams on August 8, 2022 and, while they made progress toward resolving the case, they were unable to reach an agreement at that time. *See* Dkt. 34. The Parties participated in a second mediation with Judge Williams on September 1, 2022, at the conclusion of which the parties reached an agreement in principle to settle the Action on a class-wide basis. *See* Dkt. 36.

1.11 Consistent with the highest ethical standards, and through Judge Williams, the Parties negotiated potential attorneys' fees, costs, and a service award *after* relief to the Class was agreed to. Any recovery of attorneys' fees, costs, expenses, or service award will not reduce the proposed amounts to be awarded to the Class.

1.12 Class Counsel submit that they have significant experience with nonmaterial depreciation claims, having represented insureds in numerous putative class actions. Based

on this experience, Class Counsel believe that the Representative Plaintiffs' claims and allegations relating to nonmaterial depreciation asserted in the Action have significant merit. Class Counsel recognize and acknowledge, however, that prosecuting such claims through further fact and expert discovery, class certification, dispositive motions, trial, and appeals will involve considerable uncertainty, time, and expense.

1.13 Class Counsel have concluded that it is in the best interests of the Settlement Class that the claims asserted by the Representative Plaintiffs against Defendant in the Action be resolved on the terms and conditions set forth in this Agreement. After extensive consideration and analysis of the factual and legal issues presented in the Action, and multiple mediation sessions before Judge Williams, Class Counsel have reached the conclusion that the substantial benefits that Class Members will receive as a result of this Settlement are a very good result in light of the risks and uncertainties of continued litigation, the time and expense that would be necessary to prosecute the Action through class certification, trial and any appeals that might be taken, and the likelihood of success at trial.

1.14 Defendant denies, and continues to deny, each and every allegation of liability, wrongdoing, and damages, as it believes it has substantial factual and legal defenses to all claims and class allegations relating to nonmaterial depreciation in the Action. Defendant has always maintained, and continues to maintain, that it has acted in accordance with all applicable agreements and governing law. Nonetheless, Defendant has concluded that because the continuation of the claims and allegations in the Action would be protracted and expensive, it is desirable that such claims be fully and finally settled on a class-wide basis (without any admission of fault or liability) in the manner and upon the terms set forth in this Agreement.

1.15 Without admitting any liability or wrongdoing, Defendant agrees to the terms of this Agreement, provided that Final Judgment approving the Settlement is entered and all Released Claims are settled, compromised, and released, in order to resolve all issues relating to Nonmaterial Depreciation and the adjustment and/or payment of a Covered Loss that were asserted, or that could have been asserted, in the Action or otherwise.

- g. Require persons within the Settlement Class who wish to exclude themselves to submit an appropriate and timely written request for exclusion by the opt out deadline in the Preliminary Approval Order, and advise that a failure to do so shall bind those Class Members who remain in the Settlement Class;
- h. Require Class Members who wish to object to the Settlement to submit a timely written objection by an objection deadline in the Preliminary Approval Order, and advise that a failure to do so shall prevent those Class Members from objecting to the Settlement;
- i. Require any Class Member who objects to the Settlement and wishes to appear at the Final Approval Hearing to file a notice of intent to appear;
- j. Provide that the Final Approval Hearing may take place, at the sole discretion of the Court, via telephone or video so as to allow the Final Approval Hearing to proceed despite any limitations on in-court hearings related to the COVID-19 pandemic and provide that any Class Member who files a notice of intent to appear shall be provided with information necessary to access the telephone or video hearing;
- k. Preliminarily enjoin all Class Members, unless and until they have timely and properly excluded themselves from the Settlement Class, from (i) filing, commencing, prosecuting, maintaining, intervening in, or participating as a plaintiff, claimant, or class member in any other lawsuit or administrative, regulatory, arbitration, or other proceeding in any jurisdiction, individually or as a class action on

3.3 Final Approval Hearing. In connection with the motion for preliminary approval, the Parties shall request that the Court schedule and conduct a Final Approval Hearing not less than one-hundred and five (105) days after entry of the Preliminary Approval Order, at which time it will consider whether the Settlement is fair, reasonable, and adequate pursuant to 735 ILCS 5/2-801 *et seq.* Class Counsel, after good faith consultation with counsel for the Defendant, shall request that, at or after the Final Approval Hearing, the Court: (i) enter the Final Judgment, granting final approval of the Settlement and dismissing with prejudice the claims of the Representative Plaintiff and the Settlement Class in this Action; (ii) determine the attorneys' fees and expenses that should be awarded to Class Counsel as contemplated in the Agreement; and (iii) determine the service award, if any, that should be issued to the Representative Plaintiff, as contemplated by the Agreement.

3.4 Condition No. 2: Finality of Judgment. The Court shall enter a Final Judgment substantially similar in form and content as **Exhibit E**, as described in Section 12, the Final Judgment must become Final, and the Effective Date must occur.

4.0 SETTLEMENT CONSIDERATION

4.1 In compromise of disputed claims and in consideration of this Agreement, as well as additional consideration described in this Agreement, the Parties have agreed that the Defendant will pay the following, subject and pursuant to the terms of this Agreement, in exchange for a release of the Released Persons of Released Claims, entry of Final Judgment as contemplated herein, and dismissal with prejudice of the Action:

- 4.1.1 Subject to the terms, limits, conditions, coverage limits, and deductibles of policies, Claim Settlement Payments to Settlement Class Members who timely file valid Claim Forms by the Claims Deadline will be equal to 100% of the Nonmaterial Depreciation that was withheld from their respective ACV Payments (or that would have resulted in an ACV Payment but for the Nonmaterial Depreciation withholding to cause the loss to fall below the deductible) and for which there remains some amount of outstanding Depreciation on the claim, plus simple interest at the rate of 5% from the date of the final ACV Payment through final judgment; and
- 4.1.2 Subject to the conditions set forth in this Agreement, attorneys' fees and reasonable litigation expenses totaling \$557,500.00 to Class Counsel;
- 4.1.3 Subject to the conditions set forth in this Agreement, a service award of \$10,000.00 to the Representative Plaintiffs;
- 4.1.4 All costs of claims administration (including Class Notices and administration) up to \$50,000 , as provided in this Agreement and all costs above \$50,000 shall be split equally between Defendant and Class Counsel; and
- 4.1.5 Half of the reasonable fees incurred by the Neutral Evaluator, as provided in this Agreement, with the remaining half paid by Class Counsel.

4.2 Until such time as the foregoing payments are made, all sums to be paid by Defendant shall remain under the control and ownership of the Defendant, the Administrator, or their independent contractors. Neither Class Members nor any other Person shall have any right to, or ownership or expectation interest in, Claim Settlement Payments or any other sums unless and until timely and eligible claims of Class Members have been submitted and checks in payment of same have been issued and timely negotiated by Class Members, as described in this Agreement.

5.0 NOTICE

5.1 **CAFA.** Pursuant to the Class Action Fairness Act of 2005, 28 U.S.C. §§ 1715, *et seq.* (“CAFA”), within ten (10) days after filing of the Representative Plaintiffs’ motion for preliminary approval, Defendant shall send written notice of the Settlement to the Attorney General of the United States, any appropriate state department(s) of insurance, and any other appropriate government agency. The Parties agree that the foregoing notices will satisfy the notice obligations of CAFA.

5.2 **Class Notice.** As soon as practicable after Preliminary Approval of the Proposed Settlement, but in any event no more than twenty-one (21) days after the filing of the Motion for Preliminary Approval, Defendant shall conduct a reasonable search of its records and provide to the Administrator for each Person reasonably believed to be a potential Class Member, the following information, if reasonably available: name, last known mailing address, email address, date of Covered Loss during the Class Periods, policy number, claim number for the Covered Loss.

5.3 The Administrator shall mail a copy of the Class Notice and Claim Form in a form and content substantially similar to **Exhibits B** and **C**, by first-class U.S. Mail, to each potential Class Member. Prior to mailing, the Administrator will: (a) use the National Change of Address Database to update names and/or physical mailing addresses for each settlement class member, and (b) run “skip tracing” (*e.g.*, the LexisNexis database, or a similar address updating provider) on any undeliverables, as discussed further below in Section 5.5..

5.4 The Administrator shall complete mailing of the Class Notice and Claim Form to potential Class Members not less than seventy-five (75) days prior to the Final Approval Hearing. Any material change(s) to the Class Notice or Claim Form agreed to by the Parties, after entry of the Preliminary Approval Order, must be approved by the Court prior to mailing.

5.5 If a Class Notice and Claim Form sent to any potential Class Member is returned as undeliverable, the Administrator will promptly log such return as undeliverable and provide copies of the log to the Defendant and Class Counsel as requested. If the mailing is returned to the Administrator with a forwarding address, the Administrator will forward the mailing to that address. For other returned mailings, the Administrator will run “skip tracing” (*e.g.*, the LexisNexis database, or a similar address updating provider), and should the commercial database show a more current address, the Administrator shall re-mail the returned Class Notice and Claim Form to the more current address. If a more current mailing address cannot be found by searching the commercial database referenced in the preceding sentence, the Administrator shall send one message to the last known e-mail address as contained in Defendant’s records (when available) for such Class Member and attempt to contact such Class Member to obtain a current address. If a more current address cannot be found through either of the two methods described above, then no further efforts to locate or to find a more current address for Class Members is required.

5.6 **Postcard Notice.** No later than 30 days before the Claim Deadline, the Administrator shall mail a postcard reminder in the form attached as **Exhibit D** (the “Postcard Notice”) with information regarding the Claim Deadline, the Settlement Website address, and how to request a copy of the Claim Form. The Postcard Notice will be mailed to each Class Member who has not submitted a Claim Form and who has not timely and properly excluded themselves.

5.7 **Settlement Website.** No later than the posting of the Class Notice, the Administrator shall establish and maintain a website containing copies of this Agreement, the Exhibits, the Preliminary Approval Order, the Class Notice, Claim Form, Spanish translations of the Class Notice and Claim Form, and such other documents and information about the Settlement as Class Counsel and Defendant’s Counsel agree upon. The Claim Form shall be available to

download or print from the settlement website. A signed, completed, and scanned Claim Form may also be uploaded and submitted on the settlement website.

5.7.1 The Settlement Website shall use a Uniform Resource Locator (“URL”) that Class Counsel and the Defendant’s Counsel agree upon. The Settlement website shall not include any advertising and shall not bear or include any logos or trademarks of the Defendant other than those appearing in the Agreement. The Settlement website shall cease to operate and the Administrator shall remove all information from the Settlement website no later than the Final Accounting as described in Section 7.11.

5.8 **Toll-free Number.** No later than the posting of the Class Notice, the Administrator shall establish a toll-free interactive voice response phone number, with script recordings of information about the Settlement, including information about the Claim Form, utilizing relevant portions of the Class Notice and Claim Form. The Administrator shall send the Class Notice and Claim Form, or Spanish translations of both, upon request of any Class Members. The phone number shall remain open and accessible through the Claim Deadline and allow for Class Members to leave recorded messages and, at the Defendant’s option, may also provide for live operators during select times to answer certain basic questions about the Settlement. Except for requests for the Class Notice or Claim Form, the Administrator will promptly advise Class Counsel of recorded messages left by Class Members concerning the Action and/or the Settlement, or direct any Class Members with questions that cannot be answered, to Class Counsel, so that Class Counsel may timely and accurately respond to such inquiries.

5.9 The Parties agree that the foregoing procedures are reasonable and the best practicable notice under the circumstances, and are an appropriate and sufficient effort to locate current addresses for Class Members such that no additional efforts to do so shall be required.

Upon reasonable request, the Administrator shall advise Class Counsel and the Defendant's Counsel of the progress of the notice program to monitor compliance with this Agreement.

6.0 SUBMISSION OF CLAIM FORMS

6.1 Claim Forms mailed to Class Members shall be pre-populated with the Class Member's name, current address, and the date of Covered Loss, to the extent feasible, if such information is reasonably available.

6.2 To be considered valid and timely, a Claim Form must be materially complete, signed by or on behalf of the Class Member, and mailed to the Administrator's address as specified in the Claim Form, postmarked by the Claim Deadline, which shall be forty-five (45) days after the scheduled date of the Final Approval Hearing. Signed and completed Claim Forms may also be scanned and uploaded on the Settlement Website by the Claim Deadline. Claim Forms may be submitted on behalf of deceased or incapacitated Class Members by Legally Authorized Representatives, with written evidence of authority.

6.3 The Claim Form will reasonably request of Class Members such information as described on the attached **Exhibit C**. To be eligible for a Claim Settlement Payment, Class Members must, on or with the Claim Form:

- 6.3.1 State that they wish to make a claim;
- 6.3.2 Affirm they are the policyholder or a legally authorized representative for the policyholder; and affirm that they have not assigned the claim for the Covered Loss upon which the ACV Payment was calculated, other than an interest that may be held by a mortgagee;
- 6.3.3 Confirm that the pre-populated contact information contained on the Claim Form is true and correct to the best of their knowledge, or, if necessary update, correct, or provide additional information; and
- 6.3.4 If the Class Member under the Covered Loss is deceased or incapacitated, include written evidence that the Person submitting the Claim Form is the Legally Authorized Representative of the Class Member.

The Claim Form will not require that a Class Member sign under penalty of perjury or be notarized.

6.4 Settlement Class Members, who timely submit a materially complete Claim Form and for whom there remains some amount of outstanding Depreciation on the claim, shall be paid a Claim Settlement Payment equal to 100% of the outstanding Nonmaterial Depreciation, plus 5% interest from the date of the final ACV Payment through final judgment. Outstanding Nonmaterial Depreciation shall be calculated using the amount of outstanding depreciation on the claim. Defendant shall determine the amount of Nonmaterial Depreciation subject to agreed standards and provide a good faith declaration that the standards were followed. If there are objections or appeals of the award, Neutral will determine amount in expedited manner.

6.5 The foregoing Claim Settlement Payments are the only payments to which Class Members will be entitled under the Proposed Settlement. Claim Settlement Payments are deemed to be inclusive of claims for any potentially applicable damages, penalties, interest, and fees, subject to the payments of attorneys' fees and expenses and the service award required to be paid separately as provided for herein. All Claim Settlement Payments to Class Members, exclusive of interest payments, are subject to the terms, limits, conditions, coverage limits, and deductibles of their respective policies. Any rights to Claim settlement payments under this Agreement shall inure solely to the benefit of Class Members and are not transferable or assignable, unless the insurance claim was assigned by the Class Member before the date of Preliminary Approval in the ordinary course to a contractor who performed, or intends to perform, repair or replacement work to which the insurance claim relates. Provided, however, that any such assignee submits written evidence of such an assignment must agree in writing to indemnify the Defendant for any loss should the assignor-policyholder later dispute payment to the assignee-contractor before payment will be made to the assignee.

6.6 The opportunity to submit Claim Forms for Claim Settlement Payments and other obligations incurred by the Defendant, pursuant to this Agreement, shall be in full and final disposition of the Action, and in full consideration for the release of any and all Released Claims as against any and all Released Persons, regardless of whether or not a Class Member receives a Class Notice, submits a Claim Form, or timely negotiates a Claim Settlement Payment check.

7.0 CLAIMS ADMINISTRATION AND PAYMENTS

7.1 **Claims Determinations.** Beginning 30 days after posting of Class Notices, and on a rolling basis periodically thereafter, the Defendant, or a qualified vendor retained by and under the control of the Defendant, will begin calculating the amount of the Claims Settlement Payment to which each Class Member who timely submits a Claim Form is entitled, based on information that includes but not limited to the total outstanding Depreciation for a Covered Loss. In making such determinations, the Defendant may consider all information reasonably available within the Defendant's records to assist in making such determinations in good faith.

7.2 The Administrator to notify, in writing, those Class Members who submit an untimely Claim Form that their claim is denied and will not be processed further. The Administrator's determination of whether a Claim Form was timely submitted shall be final, binding, not reviewable by the Neutral Evaluator, and not appealable, and may not be the basis for any objection.

7.3 The Administrator shall notify, in writing, those Class Members who submit a timely but materially deficient Claim Form that they have thirty (30) days to correct the deficiency. The notice shall identify the deficiency and state that any response must be postmarked within thirty (30) days of the date of the notice of the deficiency. The notice shall also state that their claim will be denied and will not be processed further if not postmarked within thirty (30) days.

7.4 Defendant will periodically update Class Counsel and the Administrator on the claims review process and provide Class Counsel and the Administrator, within forty-five (45) days after the Claim Deadline, a list of: (a) Class Members who submitted Claim Forms; (b) the amount of the Claim Settlement Payment, if any, owing to each; and (c) if no Claim Settlement Payment is owing, a brief explanation why. The Administrator must advise Defendant as to how much is being paid, to each individual Class Member, so that Defendant can assign specific amounts to specific claim files.

7.5 **Funding.** Within the later of (a) ten (10) days after the Effective Date or (b) thirty (30) days after the final determinations of Claim Settlement Payments described in Section 7.4, Defendant shall send to the Administrator adequate funds for deposit to an account established by the Administrator to pay Claim Settlement Payments. In no event shall Defendant be liable to pay Claim Settlement Payments before that time. Prior to transferring funds to the Administrator, the Defendant is not required to maintain any funds or payments to be made under this Agreement in a segregated account, and any interest or other income earned on funds prior to the distributions provided hereunder remains the property of the Defendant.

7.6 **Checks.** Within ten (10) days of receipt of funds, the Administrator shall mail to each Class Member who timely submitted an eligible Claim Form, as determined above, a settlement check for the Claim Settlement Payment to which each Class Member is entitled. The Administrator shall use addresses used to send the Class Notice, subject to any updates received from Class Members on Claim Forms or otherwise.

7.7 Checks shall be issued in the names of Class Members as reflected on GNY's records, and shall state on their face that they expire and are void 120 days from the date of issuance, after which the Administrator may close the account. Prior to the expiration of checks,

Class Members may request replacement checks be issued by the Administrator if they lose or misplace their original check. In the event any check issued pursuant to this Agreement is returned and the payee cannot be located, or expires or becomes void, GNY will follow their standard escheatment procedures for the State of Illinois.

7.8 **Neutral Evaluator.** The Administrator shall send to Class Members whose Claim Form was denied payment for any reason other than untimeliness a notice explaining why. In addition, the Administrator shall send a notice to all Class Members who submitted a Claim Form, regardless of whether a Claim Settlement Payment was issued, explaining that Class Members may dispute the amount of the Claim Settlement Payment, or a denial of their claim, by requesting, in writing, final and binding arbitration by the Neutral Evaluator. In order to dispute a Claim Settlement Payment or denial of a claim and invoke arbitration, a Class Member must return any uncashed settlement check to the Administrator and explain in writing the reason for their dispute, as well as provide any supporting documentation, within thirty (30) days of the date of the notice. If the settlement check is not timely returned, or if the settlement check is negotiated prior to final and binding arbitration by the Neutral Evaluator, then the dispute resolution process will be automatically terminated and the Class Member is not entitled to any further settlement payment.

7.9 The Administrator shall promptly provide the Defendant's Counsel and Class Counsel with any disputes received from Class Members under Section 7.8. Upon receipt, the Defendant may reevaluate the claim and/or supply any additional supporting documentation or information to the Administrator within thirty (30) days. The Administrator shall then promptly provide all materials received from the Class Member and Defendant to the Neutral Evaluator, unless the Defendant has agreed to pay the claim, in which event the Administrator shall promptly

issue a check to the Class Member for the agreed Claim Settlement Payment. Class Counsel will be allowed to participate in this process and advocate on behalf of the Class Member if Class Counsel deems appropriate.

7.10 The Neutral Evaluator shall issue a decision based solely on the written submissions without independent research or evidence, and subject to the express terms and conditions of this Agreement, within thirty (30) days after receipt of materials from the Administrator. If applicable, the Administrator shall promptly issue a check to the Class Member for a Claim Settlement Payment in accord with the Neutral Evaluator's decision. The Neutral Evaluator shall have exclusive jurisdiction to resolve any dispute as to final determination of a Claim Settlement Payment, and the decision of the Neutral Evaluator shall be final and binding on the Parties and Class Members and is not subject to appeal or review by the Court. The Neutral Evaluator shall not have authority to award a Class Member any amount in excess of the Claim Settlement Payment, determined as described in Section 7, or for any other damages, costs, attorneys' fees, or other relief. The Neutral Evaluator shall also be bound by the provisions of Section 16 concerning confidential information.

7.11 **Final Accounting.** Within thirty (30) days after completion of the escheatment procedures pursuant to Section 7.7 and all claims have been resolved, including claims disputed by Class Members, the Administrator shall provide a final accounting to the Parties of all payments under the Settlement and return any remaining funds to Defendant.

7.12 **Taxes.** Defendant and the Administrator will comply with all federal, state, and local tax reporting obligations in connection with the payments made to the Representative Plaintiffs, Class Counsel, and Class Members pursuant to the Settlement. However, Defendant is not obligated to compute, estimate, or pay any taxes on behalf of, and are not liable for any taxes

owed by, the Representative Plaintiffs, Class Counsel, or any Class Member as a result of the payments contemplated by the Settlement.

7.13 **Information Available to Class Counsel.** Class Counsel shall have the right to interact directly with the Administrator regarding the administration of the Settlement.

8.0 COVENANTS, REPRESENTATIONS AND WARRANTIES

8.1 **Covenants Not to Sue.** The Representative Plaintiffs and Class Members covenant and agree:

8.1.1 not to file, commence, prosecute, maintain, intervene in, or participate in (as parties, class members or otherwise) any action in any jurisdiction based on or relating to any of the Released Claims, or the facts and circumstances relating thereto, against any of the Released Persons;

8.1.2 not to organize or to solicit the participation of Class Members in a separate class for purposes of pursuing any action (including by seeking to amend a pending complaint to include class allegations, or seeking class certification in a pending action in any jurisdiction) based on or relating to any of the Released Claims or the facts and circumstances relating thereto; and

8.1.3 that the foregoing covenants and this Agreement shall be a complete defense to any of the Released Claims asserted against any of the Released Persons.

8.2 The Representative Plaintiffs represent and warrant that they are the sole and exclusive owners of their respective Released Claims and that they have not assigned or otherwise transferred any interest in any Released Claims against any Released Persons, and further covenant that they will not assign or otherwise transfer any interest in its Released Claims.

8.3 The Representative Plaintiffs represent and warrant that, after entry of Final Judgment, they have no surviving claim or cause of action against any of the Released Persons with respect to any of the Released Claims.

8.4 The Representative Plaintiffs and Class Counsel represent and warrant that there are no outstanding liens or claims against the Action, and acknowledge that the Representative

Plaintiffs and Class Counsel will be solely responsible for satisfying any liens or claims asserted against the Action.

8.5 The Parties, and each of them on his, her, or its own behalf only, represent and warrant that they are voluntarily entering into the Agreement as a result of arms-length negotiations among their counsel; that in executing the Agreement, they are relying solely upon their own judgment, belief, and knowledge, and the advice and recommendations of their own independently selected counsel, concerning the nature, extent and duration of their rights and claims hereunder and regarding all matters that relate in any way to the subject matter hereof; and that, except as provided herein, they have not been influenced to any extent whatsoever in executing the Agreement by representations, statements, or omissions pertaining to any of the foregoing matters by any Party or by any person representing any Party. Each of the Parties assumes the risk of mistake as to facts or law.

9.0 RELEASES

9.1. **Released Claims.** Upon the Effective Date, Releasing Persons, including the Representative Plaintiffs and each Class Member, shall, by operation of the Final Judgment, be deemed to have fully, conclusively, irrevocably, forever, and finally release, relinquish, and discharge GNY and all other Released Persons from any and all claims, Unknown Claims, actions, causes of action, suits, bad faith, debts, sums of money, payments, obligations, reckonings, promises, damages, interest, penalties, attorney's fees and costs, liens, judgments, and demands of any kind whatsoever that each Releasing Person has or may have had prior to or following the Effective Date, whether *ex contractu* or *ex delicto*, debts, liens, contracts, liabilities, agreements, attorneys' fees, costs, penalties, interest, expenses, or losses (including actual, consequential, statutory, extra-contractual and punitive or exemplary damages), and whether arising under, or

based on, contract, extra-contractual or tort theories, at law or in equity, or under federal, state or local law, statute, ordinance, rule, regulation or insurance code provision, whether asserted individually or in a representative capacity, whether past or present, mature or not yet mature, that the Representative Plaintiffs or Class Members have or may have had against any of the Released Persons, including but not limited to any and all claims that relate to, concern, arise from, or pertain in any way to:

- 9.1.1 Depreciation or Nonmaterial Depreciation (including, but not limited to, calculation, deduction, determination, inclusion, modification, omission, and/or withholding of Nonmaterial Depreciation) in the adjustment and/or payment of any Covered Loss;
- 9.1.2 any and all claims that were or could have been brought, whether based upon contract, statute, regulation, or tort, pertaining to the calculation, deduction, determination, inclusion, modification, omission, and/or withholding of Depreciation or Nonmaterial Depreciation in the adjustment and/or payment of any Covered Loss;
- 9.1.3 the allegations and all claims contained in the complaint, or could have been alleged in the complaint, in the Action concerning the alleged systematic practice of deducting Depreciation an/or Nonmaterial Depreciation through the use of estimating software;

(“Released Claims”). This release does not apply to any coverages other than for loss or damage to structures or buildings. For example, this release does not encompass any claims for additional living expenses or contents. This release only applies to claims arising under insurance policies issued by GNY.

9.2 **Unknown Claims.** The Representative Plaintiffs, for themselves and on behalf of Class Members, explicitly acknowledges that Unknown Claims, within the scope of Released Claims, could possibly exist and that any present losses may have been underestimated in amount or severity. The Representative Plaintiffs or any Class Member may hereafter discover facts other than or different from those that it knows or believes to be true with respect to the subject matter

of the Released Claims, or the law applicable to such claims may change. Nonetheless, the Releasing Persons agree that they shall have irrevocably waived and fully, finally and forever settled and released any known or unknown, suspected or unsuspected, asserted or unasserted, liquidated or unliquidated, contingent or non-contingent, claims with respect to all Released Claims against Defendant, including Unknown Claims within the scope of the Released Claims. Further, the Representative Plaintiff and Class Members agree and acknowledge that they are bound by this Agreement, including by the Releases, and that all of their claims in the Action asserted against Defendant shall be dismissed, with prejudice, and released, without regard to subsequent discovery of different or additional facts or subsequent changes in the law, and regardless of whether unknown losses or claims exist or whether present losses may have been underestimated in amount or severity, and even if they never received actual notice of the Settlement or received a Claim Settlement Payment. The Representative Plaintiffs and each Class Member also acknowledge and agree that they will not initiate any proceeding before any court or administrative agency (whether state, federal, or otherwise) against GNY based on or concerning, in whole or in part, any claim(s) released by this Agreement. The Parties acknowledge that the foregoing Releases were bargained for and are a material element of the Agreement.

9.3 Provided, however, that the Released Claims do not include: (a) claims arising after the Effective Date or outside the Class Period; (b) claims for valuation or payment of a loss under any residential homeowners, residential manufactured home, residential condominium, and/or residential dwelling property insurance policy issued by Defendant that are not related to the withholding of payment for Depreciation or Nonmaterial Depreciation; (c) Class Members' rights and obligations under this Agreement; and (d) the rights of potential Class Members who timely

and properly submit a request for exclusion from the Settlement Class in accordance with this Agreement.

9.4 The administration and consummation of the Settlement as embodied in this Agreement shall be under the authority of the Court. The Court shall retain jurisdiction to protect, preserve, and implement the Agreement, including, but not limited to, enforcement of the releases contained in the Agreement, and to enter such further orders as may be necessary or appropriate in administering and implementing the terms and provisions of the Agreement and Final Judgment.

10.1 A person within the Settlement Class who wishes to opt out of the Settlement Class must do so in writing. Any Class Member who does not opt out of the Settlement Class in the manner described herein shall be deemed to be a Class Member and shall be bound by all proceedings, orders, and judgments.

10.2 In order to opt out, a person within the Settlement Class must complete and send to the Administrator, at the address listed in the Class Notice and on the Settlement website, a request for exclusion postmarked no later than the opt out deadline of thirty (30) days before the Final Approval Hearing, as identified in the Preliminary Approval Order. The request for exclusion must: (a) identify the case name; (b) identify the name and address of the Class Member; (c) be personally signed by the Class Member requesting exclusion; and (d) state a desire to be excluded from the Settlement Class, such as “I hereby request to be excluded from the proposed Settlement Class in the *Danshir* Class Action.” Persons must request exclusion individually, and mass or class opt outs are prohibited.

10.3 A Class Member, who desires to opt out, must take timely affirmative written action pursuant to Section 10.2, even if the Class Member desiring to opt out (a) files or has filed a

separate action against any of the Released Persons, or (b) is or becomes a putative or actual class member in any other class action filed against any of the Released Persons. The Administrator shall provide Class Counsel and the Defendant's Counsel a list of all timely requests for exclusion not less than ten (10) days before the Final Approval Hearing.

10.4 Any Class Member, who timely and properly opts out of the Settlement Class, shall not: (a) be bound by any orders or judgments relating to the Settlement; (b) be entitled to relief under or be affected by the Agreement; (c) gain any rights by virtue of the Agreement; or (d) be entitled to object to any aspect of the Settlement.

11.4 **Appearance.** Subject to approval of the Court, any Class Member who files and serves a timely written objection in accordance with this Section, may appear, in person or by counsel, at the Final Approval Hearing, whether it is held in the courtroom or via telephone or video conference, to show cause why the proposed Settlement should not be approved as fair, adequate, and reasonable, but only if the objecting Class Member: (a) files with the Clerk of the Court a notice of intention to appear at the Final Approval Hearing by the objection deadline; and (b) mails copies of the notice to Class Counsel and the Defendant's Counsel identified in Section 2 of this Agreement, postmarked by the objection deadline. The notice must include copies of any papers, exhibits, or other evidence that the objecting Class Member will present to the Court in connection with the Final Approval Hearing. Any Class Member who does not file a notice of intention to appear in accordance with the Agreement shall not be entitled to appear at the Final Approval Hearing.

The Parties will have the same right to seek discovery from any objecting Class Member as they would if the objector was a party in the Action, including the right to take the objector's deposition. Such discovery will be conducted on an expedited basis, and the objecting Class Member is required to respond and must appear for deposition within 14 days, if a deposition is noticed. Class Members who fail to timely file and serve written Objections, or fail to respond to written discovery or make themselves available for deposition, shall be deemed to have waived any objections and shall be foreclosed from making any objection (whether by appeal or otherwise) to this Settlement.

- 12.2.6 Confirms that the individual mailed distribution of the Class Notice, Claim Form, and Postcard Notice, and establishment of an automated toll-free telephone number, and a settlement website: (i) constituted, under the circumstances, the most effective and practicable notice of the pendency of the Action, this Agreement, and the Final Approval Hearing to all Class Members who could be identified through reasonable effort; and (ii) meets the requirements of the Federal Rules of Civil Procedure, the requirements of due process under the United States Constitution, and the requirements of any other applicable rules or law;

 - 12.2.13 Contains such additional provisions as provided in Exhibit E as necessary to implement this Agreement and the Settlement.
- 12.3 **Effect of Final Judgment.** Upon entry of Final Judgment:

12.5 The Defendant will not oppose final approval of the proposed Settlement in the form of the Final Judgment attached as **Exhibit E** and may, in its sole discretion, file a memorandum in support of final approval of the Proposed Settlement.

12.6 If final approval of the Settlement is not granted, or this Agreement is terminated or rendered void, the certification of the Settlement Class shall be automatically vacated and shall not constitute evidence or a binding determination that the requirements for certification of a class for trial purposes in this or any other action can be or have been satisfied. In that event, the Defendant reserves and shall have all rights to challenge certification of a class action for trial purposes in the Action or in any other action, on all available grounds as if no Settlement Class had been certified.

12.7 Within ten (10) days after the Effective Date, the Representative Plaintiffs and Class Members shall dismiss, with prejudice, all Released Claims asserted in any actions or proceedings that have been brought by or involve any Class Member in any jurisdiction. - 14.3.3 This Agreement, and the fact of this Agreement having been made, shall not be admissible or entered into evidence for any purpose whatsoever and shall not be subject to discovery;
- 14.3.4 Any judgment or order entered in the Action relating to this Agreement or the Settlement, including, without limitation, any order certifying the Settlement Class, shall be automatically vacated *nunc pro tunc*, without the requirement of any motion or further order of the Court, and will be without any force or effect;
- 14.3.5 The Parties shall not thereafter argue or raise a claim or defense, including, but not limited to, waiver, estoppel, or any other similar or related theories, based on the Agreement (including without limitation the provisions regarding class certification) and related pleadings and orders, the fact of this Agreement having been made, or that any settlement negotiations preclude the Defendant from opposing class certification or the claims in the Action or any other proceeding.

14.4 Section 14.3 shall survive the termination of this Agreement.

15.0 DENIAL OF LIABILITY

15.1 Defendant enters into this Agreement without admitting, conceding or acknowledging any fault, liability, or wrongdoing of any kind. This Agreement or the negotiations or proceedings connected with it shall not be construed as an admission or concession by Defendant of the truth of any of the allegations in the Action, or of any liability, fault, or wrongdoing of any kind on the part of the Defendant. In the event the Effective Date does not occur, or this Agreement is terminated, or the Proposed Settlement is not finally approved for any

reason, the Defendant shall retain the right to object to the maintenance of the Action or any other proceeding as a class action and to contest the Action or any other case on any ground.

15.2 This Agreement, the negotiations leading to the Settlement, administration of the Settlement, and any pleadings, motions, or other document related in any way to the Agreement (excluding any orders entered by the Court) shall not be offered into evidence in the Action: (a) in support of or in opposition to a motion to certify a contested class against the Defendant; or (b) as an admission or concession of liability or wrongdoing by the Defendant. Class Counsel and Defendant dispute whether this Agreement may be offered into evidence in a foreign court in support of a potential motion for certification of a different class action in another lawsuit, with Defendant contending that this Agreement cannot and should not be used for such purposes. The Parties and Class Counsel reserve all rights.

16.0 CONFIDENTIALITY AGREEMENT

16.1 The following constitutes highly confidential and proprietary business information of Defendant (the “Confidential Information”): (a) the names, addresses, policy numbers, and data concerning a Class Member or potential member of the Settlement Class compiled by the Defendant and/or the Administrator in administering the Proposed Settlement; and (b) claim files and documents and electronic data related to claims for each Class Member, utilized by Defendant and/or the Administrator in identifying potential Class Members and administering the Settlement. Confidential Information shall not be publicly disclosed by Class Counsel or other attorneys for Representative Plaintiffs in this Action to any persons other than those identified in the agreed protective order or this Agreement, and shall not be used other than in this Action in connection with the Settlement. It is not a violation of this Agreement for either of the parties to provide the Court with information concerning the Representative Plaintiffs’ or any objector’s individual

claims, or to provide the Court with anonymous aggregate claims data values solely for purposes of seeking preliminary or final approval of the Settlement Agreement or attorneys' fees, expenses, or service award.

16.2 No Persons other than Defendant's Counsel, Class Counsel, the Administrator, Neutral Evaluator, and their respective employees and contractors shall be allowed access to any Confidential Information, except a Class Member who challenges the sufficiency of their Claim Settlement Payment shall have access to their own claim information. Any person to whom Confidential Information is disclosed or who has access to Confidential Information shall maintain it as confidential and shall not publicly disclose or release it to any person not authorized by the Defendant, this Agreement, the agreed protective order, or the Court. Provided, that nothing in this Agreement shall be construed to restrict or limit the GNY's use or disclosure of its own Confidential Information.

16.3 Within thirty (30) days after the Final Accounting described in Section 7.11, Class Counsel shall destroy or return to the Defendant's Counsel all Confidential Information in their possession, custody, or control, and shall deliver a letter to counsel for the Defendant confirming their undertaking and compliance with this Section. Further, the Parties agree that Confidential Information shall not be used by Class Counsel or anyone employed with, retained by, or otherwise associated with Class Counsel in any other litigation, current or future, unless independently obtained through discovery in such other litigation.

17.0 COMMUNICATIONS

17.1 Any inquiries to GNY from Class Members regarding the Settlement will be directed to Class Counsel or the Administrator. Nothing herein shall preclude GNY or their agents from discussing matters unrelated to the Settlement with their present, former or prospective

policyholders or customers or from communicating with their agents and employees concerning the existence, terms, and implementation of the Settlement, orally or in writing, and they may do so through any appropriate means.

17.2 If any media organization contacts any Party or its counsel seeking information or a statement regarding the Settlement, in the absence of a response agreed upon by all Parties, no information will be provided in response to such inquiries except to the extent such information appears as part of the public record.

18.0 MISCELLANEOUS

18.1 Defendant shall provide Class Counsel with a declaration from a representative of Defendant providing that the information provided to Class Counsel was a good faith estimate of the value of the class claims, based in fact, and derived from the information in Defendant's files.

18.2 The Administrator, Class Counsel and the Defendant shall retain copies or images of all returned Class Notices, Claim Forms, and correspondence relating thereto, for a period of one (1) year after the Final Accounting. Thereafter the Administrator, Class Counsel and the Defendant may destroy such documents they have in their possession. Nothing in this Agreement shall be construed to require the Administrator, Class Counsel, or the Defendant to retain records beyond their respective, discretionary, record retention policies.

18.3 The Parties and their counsel agree to undertake their best efforts and to cooperate with each other to effectuate this Agreement and the terms of the proposed Settlement, including taking all steps and efforts contemplated by this Agreement, and any other reasonable steps and efforts that may become necessary by order of the Court or otherwise. The Parties further agree to cooperate in respect to reasonable, agreed extensions to the timetable hereunder, subject to such Court approval as may be required.

18.4 The terms and conditions set forth in this Agreement, including documents referenced herein and all attached exhibits, contains the entire and exclusive agreement of the Parties hereto and supersede any prior agreements, negotiations, representations, or understandings between them, and may not be contradicted or supplemented by evidence of any prior or contemporaneous agreement. The Parties further intend that this Agreement and all attached exhibits constitute the complete and exclusive statement of its terms as between the Parties and that no extrinsic evidence may be introduced in any proceeding concerning the terms of the proposed Settlement. Prior or contemporaneous representations not contained in this Agreement shall be of no force or effect.

18.5 All terms of this Agreement are contractual and not mere recitals and shall be construed as if drafted by all Parties hereto. The terms of this Agreement are and shall be binding upon each of the Parties hereto, upon each of their agents, attorneys, employees, successors and assigns, and upon all other Persons claiming any interest in the subject matter hereof through any of the Parties hereto, including any Class Member. Provided, however, that except as expressly provided in this Agreement, this Agreement is not intended to and does not confer upon any other person or entity any rights or remedies.

18.6 This Agreement may be amended or modified only by a written instrument signed by counsel for all Parties, and any amendments or modifications shall be presented to the Court for approval. Amendments and modifications may be made without additional notice to the potential Class Members unless such notice is required by the Court.

18.7 This Agreement shall be governed by the laws of the State of Illinois without regard to its choice of law rules.

18.8 The exhibits to this Agreement are integral parts of this Agreement.

18.9 To the extent permitted by law, this Agreement may be pleaded as a full and complete defense to, and may be used as the basis for an injunction against, any action, suit or other proceeding which may be instituted, prosecuted or attempted in breach of this Agreement.

18.10 Nothing contained in this Agreement or in any proceedings concerning the Settlement shall in any way affect the Defendant's rights to seek contribution, indemnity or any other relief from any person or entity not a party to the Action. All such rights and remedies of the Defendant are specifically retained and preserved.

18.11 Unless otherwise noted, all references to "days" in this Agreement shall be to calendar days. In the event any deadline under this Agreement is a weekend or legal holiday, such deadline shall be on the first business day thereafter.

18.12 The waiver by any party of any breach of this Agreement will not be deemed or construed as a waiver of any other breach, whether prior, subsequent, or contemporaneous, of this Agreement.

18.13 As used herein, the plural of any defined term includes the singular thereof, and the singular of any defined term includes the plural thereof, as the context may require.

18.14 This Agreement may be executed in counterparts, each of which shall constitute an original. This Agreement shall be deemed to have been executed upon the last date of execution by all the undersigned Parties or counsel.

18.15 This Agreement may be executed by electronic or handwritten signature.

18.16 The Parties agree that the statute of limitations and/or GNY's insurance policies' Limitation of Action provisions will be tolled and not enforced by the Parties and/or any Court as it respects any Class Member whose claim expire during the Administration of this Settlement.

Case No. 21-CV-01158

**[PROPOSED] ORDER GRANTING MOTION FOR PRELIMINARY APPROVAL OF
CLASS ACTION SETTLEMENT, CERTIFYING SETTLEMENT CLASS, DIRECTING
CLASS NOTICE, AND SCHEDULING A FINAL APPROVAL HEARING**

Upon review and consideration of Motion for Preliminary Approval of Class Action Settlement of Plaintiffs Danshir, LLC and Danshir Property Management, LLC, (the “Representative Plaintiffs”), with Defendant Greater New York Mutual Insurance Company (“GNY” or the “Defendant”), including the parties’ Stipulation and Settlement Agreement signed by the Representative Plaintiffs and GNY in March 2023 (the “Agreement”) and all corresponding exhibits, and having been fully advised of the particulars, it is **HEREBY ORDERED, ADJUDGED and DECREED** as follows:

1. Settlement

The Representative Plaintiffs and GNY have negotiated a proposed settlement of the Representative Plaintiffs’ claims in this action, individually and on behalf of a class of policyholders of GNY, described below as the Settlement Class, to avoid the expense, uncertainties, and burden of protracted litigation, and to resolve the Released Claims against the Released Persons as set forth in the Agreement. The Court has carefully reviewed the Agreement,

as well as the files, records, and proceedings to date in this matter. The terms and conditions in the Agreement are incorporated here as though fully set forth in this Order, and, unless otherwise indicated, capitalized terms in this Order shall have the same definitions that are in the Agreement.

2. Preliminary Approval

The Agreement entered into, by and among the Representative Plaintiffs and GNY, was negotiated at arm's length and is approved on a preliminary basis as fair, reasonable, and adequate, subject to further consideration at the Final Approval Hearing.

3. Settlement Class Relief

The proposed Claim Settlement Payments to Class Members and the settlement consideration, as identified in Sections 4, 6, and 7 of the Agreement, is approved on a preliminary basis as fair, reasonable, and adequate.

- a. The "Settlement Class" shall be defined as: All policyholders under any commercial lines property insurance policy issued by GNY who made a covered Structural Loss claim for property located in the State of Illinois during the applicable Class Period, as defined below, and who were issued an ACV payment where Nonmaterial Depreciation was withheld. Settlement Class also includes commercial policyholders for which an ACV would have been made but for the withholding of Nonmaterial Depreciation causing the loss to drop below the deductible.
- b. Excluded from the Settlement Class are:

Policyholders whose claims arose under labor depreciation permissive policy forms, *i.e.*, those forms and endorsements expressly permitting the "depreciation" of "labor" through use of those express terms within the text of the policy form. And any Policyholders whose claims arose from any other policy forms, endorsements, or riders expressly permitting the Nonmaterial Depreciation;

Policyholders who received one or more ACV Payments for claims, but not replacement cost value payments, that exhausted the applicable limits of insurance;

Policyholders whose claims were denied and/or abandoned without ACV Payment;

Policyholders whose claims are, or have been, litigated by or against GNY in Illinois state or federal court;

Policyholders whose claims have been fully resolved and released through a prior settlement(s) executed with GNY;

GNY and its officers and directors;

Members of the judiciary and their staff to whom this action is assigned and their immediate families; and,

Class counsel and their immediate families.

- c. The “Class Period” includes only policyholders whose loss accrued between January 1, 2019 through September 23, 2021, and who submitted timely notice of their loss to GNY.

4. **Preliminary Certification of Settlement Class**

For settlement purposes only, the Court makes the following determinations as to certification of the Settlement Class:

- a. The Court preliminarily certifies the Settlement Class for purposes of settlement only, under Federal Rule of Civil Procedure 23;
- b. The Settlement Class is so numerous that joinder of all members is impracticable;
- c. There are questions of law or fact common to the members of the Settlement Class, which common questions predominate over any questions affecting only individual members;
- d. The Representative Plaintiffs are capable of fairly and adequately protecting the interests of the members of the Settlement Class, in connection with the Agreement; and
- e. The class action is an appropriate method for the fair and efficient adjudication of the controversy.

5. **Designation of Class Representative**

The Representative Plaintiffs are designated as the representatives of the Settlement Class for the purpose of seeking approval of and administering the Settlement Agreement.

6. **Designation of Class Counsel**

James X. Bormes of the Law Office of James X. Bormes P.C., David T. Butsch and Christopher E. Roberts of Butsch Roberts & Associates LLC, and T. Joseph Snodgrass of Snodgrass Law LLC are designated as Class Counsel for the Settlement Class for the sole purpose of the Settlement.

7. Final Approval Hearing

A hearing regarding final approval of the Settlement (“Final Approval Hearing”) will be held at :00 .m. on 2023 [at least 105 days after preliminary approval], in the United States District Court for the Northern District of Illinois before the Honorable Judge Rebecca R. Pallmeyer, to determine, among other things: (i) whether final judgment should be entered resolving and approving the proposed Settlement of the Representative Plaintiffs’ and the Settlement Class’ claims against the Defendant in the Action as fair, reasonable, and adequate; (ii) whether the Settlement Class Members should be bound by the Release set forth in the Agreement; and (iii) whether the application of Class Counsel for an award of attorneys’ fees and expenses, and for a proposed service award to the Representative Plaintiffs, should be approved and in what amount. The Final Approval Hearing may take place, at the sole discretion of the Court, via telephone or video conference so as to allow the Final Approval Hearing to proceed despite limitations on in-court hearings related to the COVID-19 pandemic. Any Class Member, who files a notice of intent to appear, shall be provided with information required to access a telephonic or video hearing.

8. Class Notice

8.1 The Court approves the methods of providing notice to Class Members as described in the Agreement, including the Class Notice, attached as Exhibit B to the Agreement, and the manner of providing notice to Class Members described in Section 5 of the Agreement. The Court finds that notice as described in the Agreement is reasonably calculated, under all the circumstances, to apprise Class Members of the pendency of this Action, the terms of the Agreement, and their right to object to the Settlement or to exclude themselves from the Settlement Class. The Court further finds that the Class Notice, the

Settlement website, and the other forms of notice described in the Agreement are reasonable, constitute due, adequate, and sufficient notice to all persons entitled to receive notice, and meet all legal requirements, including the requirements of Federal Rule of Civil Procedure Rule 23 and Due Process.

8.2 The Class Notice, in the form and content of Exhibit B to the Settlement Agreement, shall be mailed, by the Administrator, not less than seventy-five (75) days before the Final Approval Hearing regarding the Settlement, in the manner described in the Agreement.

8.3 No later than the posting of the Class Notice, the Administrator shall establish a website containing copies of the Agreement and Exhibits, the Preliminary Approval Order, the Class Notice, Claim Form, Spanish translations of the Class Notice and Claim Form, and such other documents and information about the Settlement as Class Counsel and Defendant's Counsel agree upon. The Claim Form shall be available to download or print from the Settlement website, and signed, scanned, completed copies of the Class Form may be uploaded on the Settlement website. The Settlement website shall have a Uniform Resource Locator which identifies the Settlement website as www.GNYdepreciationsettlement.com, or such other URL as Class Counsel and the Defendant's Counsel agree upon. The Settlement website shall not include any advertising and shall not bear any logos or trademarks of the Defendant other than those appearing in the Agreement. The Settlement website shall cease to operate, and the Administrator shall remove all information from the Settlement website, no later than the Final Accounting as set forth in section 7.11 of the Agreement. Ownership of the Settlement website URL shall be transferred to the Defendant within ten (10) days after operation of the Settlement website ends.

8.4 No later than the posting of the Class Notice, the Administrator shall establish a toll-free, interactive, voice response phone number, with script recordings of information about this Settlement, including information about the Claim Form, utilizing the relevant portions of the Class Notice and Claim Form. At the Defendant's option, the Administrator may also provide live operators during select times to answer certain basic questions about the Settlement. The Administrator shall send the Class Notice and Claim Form, upon request, to any Class Members. The phone number shall remain open and accessible through the Claim Deadline and allow for Class Members to leave recorded messages. Except for requests for the Class Notice or Claim Form, the Administrator will promptly advise Class Counsel of recorded messages left by Class Members, concerning the Action and/or the Settlement, or direct any Class Members with questions, that cannot be answered, to Class Counsel, so that Class Counsel may timely and accurately respond to such inquiries.

8.5 Settlement Class Members may submit Claim Forms in the form attached to the Agreement, as Exhibit C, requesting a Claim Settlement Payment in accordance with the terms of the Agreement. To be considered valid and timely, a Claim Form must be materially complete, signed by or on behalf of the Class Member, and either: (a) mailed to the Administrator's address, as specified in the Claim Form, and postmarked

by [redacted] [45 days after Final Approval Hearing]; or (b) uploaded on the settlement website by [redacted] [same date] (“Claim Deadline”). Claim Forms may be submitted on behalf of deceased or incapacitated Class Members only by Legally Authorized Representatives, with written evidence of authority. Only settlement class members who complete a Claim Form may secure monetary recovery.

8.6 No later than 30 days before the Claim Deadline, the Administrator shall mail a postcard reminder in the form attached to the Agreement as Exhibit D (the “Postcard Notice”) with information regarding the Claim Deadline, the Settlement website address, and how to request a copy of the Claim Form. The Postcard Notice will be mailed to each Class Member who has not submitted a Claim Form and who has not timely and properly excluded themselves.

8.7 Class Counsel and the Defendant’s Counsel, as jointly agreed, along with the Administrator, are authorized, prior to mailing, to complete any omitted information and to make any non-substantive revisions to the Claim Form and Class Notice, as necessary, that do not materially reduce the rights of Class Members in order to fulfill the purposes of the Settlement. The font size, layout, and other presentation elements of the Claim Form and Class Notice may be adjusted to accommodate printing and mailing considerations.

9. Administrator

The Court approves and authorizes the Defendant and Class Counsel to retain Atticus Administration LLC, as the Administrator, to implement the terms of the Agreement, and authorizes and directs the Administrator to (a) mail the Class Notice, the Claim Form, and the Postcard Notice; (b) establish the interactive, voice response, phone line system; (c); establish the Settlement website; (d) receive and process Claim Forms; and, (e) carry out such other responsibilities as are provided for in the Agreement or as may be agreed to by Class Counsel and the Defendant, all according to and as provided in the Agreement.

10. Exclusion from the Settlement Class

Any Class Member who wishes to be excluded from the Settlement Class must complete and send to the Administrator, at the address listed in the Class Notice and on the Settlement website, a request for exclusion postmarked no later than [redacted] (“Opt Out Deadline”), which is no less than thirty (30) days before the Final Approval Hearing.

10.1 To be valid, the request for exclusion must: (a) identify the case name; (b) identify the name and address of the Class Member; (c) be personally signed by the

Class Member requesting exclusion; and (d) state a desire to be excluded from the Settlement Class, such as “I hereby request that I be excluded from the proposed Settlement Class in the GNY Class Action” Except for deceased or incapacitated Class Members, for whom Legally Authorized Representatives may act with written evidence of authority, Class Members must request exclusion individually and not through another acting on their behalf, and mass or class opt outs are prohibited.

10.2 A Class Member who desires to opt out must take timely affirmative written action, pursuant to this Order and the Agreement, even if the Class Member desiring to opt out (a) files or has filed a separate action against any of the Released Persons, or (b) is or becomes a putative or actual class member in any other class action filed against any of the Released Persons. The Administrator shall provide Class Counsel and the Defendant’s Counsel a list of all timely requests for exclusion not less than ten (10) days before the Final Approval Hearing.

10.3 Except for Class Members who timely submit a valid request for exclusion from the Settlement Class, all other Class Members will be deemed to be Class Members for all purposes under the Agreement, and upon the Effective Date will be bound by its terms, including, but not limited to, the Releases in Section 9 of the Agreement and Final Judgment approving the Settlement.

10.4 If the proposed Settlement is finally approved, any Class Member who has not submitted a timely, written, request for exclusion, from the Settlement Class, shall be bound by the Final Judgment and all subsequent proceedings, orders, and judgments in this Action, even if he or she has pending, or subsequently initiates, litigation against the Defendant or any Released Persons relating to any of the Released Claims as defined in the Agreement.

10.5 If the proposed Settlement is finally approved, any Class Member, who has not submitted a timely, written, Request for Exclusion, from the Settlement Class, shall be bound by the Judgment and all subsequent proceedings, orders, and judgments, even if he or she has pending, or subsequently initiates, litigation against the Defendant or any Released Persons relating to any of the Released Claims as defined in the Agreement.

11. **Objections and Appearances**

11.1 A valid written objection must include: (a) the case name and number; (b) the name and address of the objecting Class Member and of counsel, if represented; and (c) the basis for the objection. These requirements shall also be set forth in the Class Notice and on the Settlement website.

11.2 Subject to approval of the Court, any Class Member, who files and serves a timely written objection, may appear, in person or by counsel, at the Final Approval Hearing, to show cause why the proposed Settlement should not be approved as fair, adequate, and reasonable, but only if the objecting Class Member: (a) files with the Clerk of the Court, by the Objection Deadline, a notice of intention to appear at the Final Approval Hearing, and (b) mails copies of the notice to the Administrator, at the address set forth in the Class Notice and on the Settlement website. The notice must include copies of any papers, exhibits, or other evidence that the objecting Class Member will present to the Court in connection with the Final Approval Hearing. Any Class Member, who does not file a notice of intention to appear in accordance with the deadlines and other requirements of this Order and the Agreement, shall not be entitled to appear at the Final Approval Hearing.

11.3 Any Class Member, who fails to object to the Settlement in the manner described in this Order, shall be deemed to have waived any objection, shall not be permitted to object to any terms or approval of the Settlement at the Final Approval Hearing, and shall be foreclosed from seeking any review of the Settlement or the terms of the Agreement by appeal or other means.

In such event, and except as provided therein, the proposed Settlement and Agreement shall have no further force or effect, and all proceedings that have occurred, with regard to the Agreement and the Proposed Settlement, shall be without prejudice to the rights and contentions of the Parties and any Class Members; the preliminary certification of the Settlement Class for settlement purposes shall be automatically vacated; all communications and documents related to the Settlement will be subject to the Federal Rules of Evidence and all other applicable settlement and negotiation privileges; this Order and other orders, entered by the Court pursuant to the Agreement, will be treated as vacated, *nunc pro tunc*; the Agreement and the Court's orders, including this Order, shall not be used or referred to for any purpose whatsoever; and the Parties shall retain, without prejudice, any and all objections, arguments, and defenses with respect to class certification.

17. Use of Order Following Termination of Settlement

This Order shall be of no force and effect, if the Settlement does not become Final, and shall not be construed or used as an admission, concession, or declaration, by or against the Defendant, of any fault, wrongdoing, breach, or liability, or by or against the Representative Plaintiffs or Class Members that their claims lack merit or that the relief requested in this Action is inappropriate, improper, or unavailable, or as a waiver by any party of any defenses.

18. Stay

All proceedings in the Action (as defined in the Agreement), as to the claims of the Representative Plaintiffs against the Defendant, are stayed, except as necessary to effectuate the terms of the Settlement.

19. **Necessary Steps**

The Court authorizes and directs the Parties to take all other necessary and appropriate steps to implement the Settlement as set forth in the Agreement.

EXHIBIT B

BASIC INFORMATION

1. Why was this notice issued?

A Court authorized this notice because you have a right to know about a proposed settlement of this class action, including the right to claim money, and about your options regarding this settlement before the Court decides whether to give “Final Approval” to the settlement. If the Court approves the parties’ Settlement Agreement, and if any appeals are resolved in favor of the settlement, then payments will be made to those who qualify and timely submit a valid claim. This notice explains the lawsuit, the settlement, your legal rights, what benefits are available, who may be eligible for them, and how to get them.

The United States District Court for the Northern District of Illinois is overseeing this class action. The case is called *Danshir, LLC and Danshir Property Management, LLC*, Case No. 21-cv-01158. The entities that sued are called the “Plaintiffs,” and the company they sued is called the “Defendant.”

2. What companies are part of the settlement?

The settlement includes Defendant Greater New York Mutual Insurance Company (“GNY”) and its past, present and future officers, directors, principals, shareholders, agents, representatives, employees, attorneys, parents, subsidiaries, affiliates, predecessors, successors and assigns including, but not limited to, Insurance Company of Greater New York and Strathmore Insurance Company.

3. What is this lawsuit about?

The lawsuit claims that GNY improperly deducted depreciation attributable to the estimated costs of labor from insureds’ actual cash value payments when adjusting some insurance claims in Illinois. GNY maintains that it paid claims reasonably and appropriately and denies all allegations that it acted wrongfully or unlawfully.

4. Why is this a class action?

In a class action, one or more persons or organizations called “Class Representatives” (in this case, Danshir, LLC and Danshir Property Management, LLC) sued on behalf of others who have similar claims. All of those included are a “Class” or “Class Members.” One court resolves the issues for all Class Members, except for those who exclude themselves from the Class.

5. Why is there a settlement?

The Court did not decide in favor of the Plaintiffs or the Defendant and has not found that the Defendant did anything wrong. Instead, both sides agreed to settle. That way, the parties avoid the cost of litigation, a trial and, potentially, an appeal, and the people and organizations who qualify will get compensation. The Class Representatives and their attorneys think the settlement is best for all Class Members. The settlement does not mean that the Defendant did anything wrong, no trial has occurred, and no merits determinations have been made.

WHO IS IN THE SETTLEMENT?

To see if you are eligible for benefits from this settlement, you first have to determine if you are a Class Member.

6. How do I know if I am part of the settlement?

If you received this Notice, then you have been identified as someone who is likely to be a member of the Class. The Class includes: the Representative Plaintiffs and all other certain policyholders under commercial property insurance policies issued by GNY, who made a Structural Loss claim for property located in the State of Illinois during the applicable Class Periods that resulted in an ACV Payment from which Nonmaterial Depreciation was withheld, or that would have resulted in an ACV Payment but for the withholding of Nonmaterial Depreciation causing the loss to drop below the applicable deductible.

A Structural Loss means direct physical loss or damage to real property located in Illinois covered by any commercial insurance policy issued by GNY.

“Covered Loss” means a first party insurance claim for Structural Loss, as defined below, that (a) occurred during the Class Period, and (b) resulted in an ACV Payment by GNY, or would have resulted in an ACV Payment but for the deduction of Nonmaterial Depreciation.

“Nonmaterial Depreciation” means application of either the “depreciate removal,” “depreciate non-material” and/or “depreciate O&P” option settings within Xactimate® software or similar labor depreciation option settings if competing estimating software programs were used.

The Class Period means the following time-period:

The class period is for Illinois policyholders of GNY, with Structural Loss claims with dates of loss occurred on or after January 1, 2019 and through September 23, 2021, who submitted timely notice of their loss to GNY.

7. Are there exceptions to being included in the Class?

Excluded from the Class are: (a) policyholders whose claims arose under labor depreciation permissive policy forms, *i.e.*, those forms and endorsements expressly permitting the “depreciation” of “labor” through use of those express terms within the text of the policy form. And any Policyholders whose claims arose from any other policy forms, endorsements, or riders expressly permitting the Nonmaterial Depreciation; (b) policyholders who received one or more ACV payments that exhausted the applicable limits of insurance; (c) policyholders whose claims were denied or abandoned without ACV payments; (d) policyholders whose claims are, or have been, litigated by or against GNY in Illinois state or federal court; (e) policyholders whose claims have been fully resolved and released through a prior settlement(s) executed with GNY; (f) GNY and its officers and directors; (g) members of the judiciary and their staff to whom this action is assigned and their immediate families; and (h) Class Counsel and their immediate families.

8. I'm still not sure I'm included.

If you are not sure whether you are included in the Class, you may call the toll-free number 1- [redacted] with questions or visit www.GNYdepreciationsettlement.com.

THE SETTLEMENT BENEFITS—WHAT YOU GET IF YOU QUALIFY

9. How much will settlement payments be?

Class Members, who complete and sign a claim form and timely mail it to the proper address, or submit the claim form by uploading it on the settlement website, may be eligible for a payment. Under the settlement, GNY has agreed to pay Class Members, who timely submit valid claims, determined as follows:

for Class Members to whom all Labor Depreciation has not been paid (which is a majority of Class Members), 100% of the Nonmaterial Depreciation that was withheld from ACV Payments and not subsequently paid with the “net estimated Nonmaterial Depreciation” plus 5% simple interest from the date of withholding through the date of final judgment. The average claim payment for these Class Members is estimated to be \$XXXXX.

You **must submit a claim form** in order to determine whether you are eligible for and the amount of your settlement payment. If you do not, you will not receive a settlement payment. For additional details on the payment terms, please see the Settlement Agreement, which is available at www.GNYdepreciationsettlement.com, or call toll free 1- [redacted].

HOW TO GET A PAYMENT—SUBMITTING A CLAIM FORM

10. How can I get a payment?

To find out whether you are eligible for a payment, you must complete and sign a claim form truthfully, accurately, and completely, to the best of your ability. **You must mail the completed claim form to the following address, postmarked no later than [45 days after the final approval hearing]:**

[redacted] Settlement
PO Box _____

You can also upload to the settlement website at www.GNYdepreciationsettlement.com a signed, scanned copy of a completed claim form before midnight Eastern Daylight Time on **[45 days after the final approval hearing]**. A copy of the claim form was mailed with this Notice. You may obtain an additional claim form by calling the Settlement Administrator at [redacted] or visiting www.GNYdepreciationsettlement.com. If you sign a claim form as the representative of a deceased or incapacitated Class Member, you must also submit written proof that you are the legally authorized representative. If you are a contractor to whom an insurance claim was properly assigned by a policyholder, you must submit written proof of the assignment with the filed claim form.

11. When will I get my payment?

If the Court grants Final Approval of the settlement, and if any appeals are resolved in favor of the settlement, then payments will be mailed to eligible Class Members after the claims administration process is completed. This process can take time, so please be patient.

12. What am I giving up to get a payment or stay in the Class?

Unless you exclude yourself, you are staying in the Class, and that means you can't individually sue GNY over the claims settled in this case relating to deduction of Nonmaterial Depreciation from payments for Covered Losses. It also means that all of the Court's orders will apply to you and legally bind you.

If you submit a Claim Form, or if you do nothing and stay in the Class, you will agree to release all Released Claims against all Released Persons. "Released Claims" and "Released Persons" are defined in the Settlement Agreement, which you can request by calling [redacted] or view at: www.GNYdepreciationsettlement.com.

EXCLUDING YOURSELF FROM THE SETTLEMENT

If you don't want a payment from this settlement, and/or if you want to keep the right to individually sue about the issues in this case, then you must take steps to get out of the settlement. This is called excluding yourself from—or "opting out" of—the Class.

13. How do I get out of the settlement?

To exclude yourself from the settlement, you must mail a letter saying that you want to be excluded from the *Danshir, LLC and Danshir Property Management, LLC v. Greater New York Mutual Insurance Company*, Case No. 21-cv-01158 settlement. Your letter must include your full name, address, and be signed. You must also include a clear statement that you wish to be excluded from the settlement class. You must mail your request for exclusion postmarked by **[30 days before the final approval hearing]**, _____ to:

Settlement
PO Box _____

More instructions are in the Settlement Agreement available at: www.GNYdepreciationsettlement.com. You cannot exclude yourself by phone, by email, or on the website. The right to exclude yourself from the proposed settlement must be exercised individually, not as a member of a group and, except for a deceased or incapacitated Class Member, not by another person acting or purporting to act in a representative capacity. If you request exclusion on behalf of a deceased or incapacitated Class Member, you must also submit written proof that you are the legally authorized representative.

14. If I don't exclude myself, can I sue the Insurance Company for the same thing later?

No. Unless you exclude yourself, you give up any right to sue GNY for the claims that this settlement resolves. You must exclude yourself from the Class to individually sue GNY over the

claims resolved by this settlement. Remember, the exclusion deadline is [30 days before the final approval hearing].

15. If I exclude myself, can I get a payment from this settlement?

No. If you exclude yourself from the settlement, do not submit a Claim Form to ask for a payment.

THE LAWYERS REPRESENTING YOU

16. Do I have a lawyer in this case?

The Court appointed the following law firms to represent you and other Class Members as Class Counsel:

You do not have to pay Class Counsel. If you want to be represented by your own lawyer, and potentially have that lawyer appear in court for you in this case, you may hire one at your own expense.

17. How will the lawyers and Class Representatives be paid?

Class Counsel will ask the Court for up to \$557,500.00 for attorneys' fees and reasonable litigation expenses and will ask the Court to award the Class Representatives \$10,000 in total for their efforts in prosecuting this case (called a service award). GNY agreed not to oppose the request for fees, expenses, and service awards up to these amounts. The Court may award less than these amounts. GNY will pay these fees, expenses, and service awards in addition to amounts due to Class

Members. These payments will not reduce the amount distributed to Class Members. GNY will also separately pay the costs to administer the settlement.

OBJECTING TO THE SETTLEMENT

You can tell the Court if you don't agree with the settlement or some part of it.

18. How do I tell the Court if I don't agree with the settlement?

If you don't want the Court to approve the settlement you must file a written objection with the Court and send a copy to the Settlement Administrator by the deadline noted below. You should include the name of the case (*Danshir, LLC and Danshir Property Management, LLC v. Greater New York Mutual Insurance Company*, Case No. 21-cv-01158), your full name, address, telephone number, your signature, the specific reasons why you object to the settlement, and state whether you intend to appear at the Final Approval Hearing in person or through counsel. If you have a lawyer file an objection for you, he or she must follow all local rules and you must list the attorney's name, address, and telephone number in the written objection filed with the Court.

If you intend to appear at the Final Approval Hearing to object to the settlement, you must also provide the Court with your written objection a detailed statement of the specific legal and factual reasons for each objection, a list of any witnesses you may call at the hearing with each witness's address and summary of the witness's testimony, and a description of any documents you may present to the Court at the hearing. You or your lawyer may appear at the Final Approval Hearing if you have filed a written objection as provided above. (See the section on the "Court's Final Approval Hearing" below). The right to object to the Proposed Settlement must be exercised individually by an individual Class Member, not as a member of a group and, except in the case of a deceased or incapacitated Class Member, not by another person acting or purporting to act in a representative capacity. If you file an objection as the representative of a Class Member, you must also submit written proof that you are the legally authorized representative.

<p>File the objection with the Clerk of the Court at the address below by [30 days before the final approval hearing]. Note: You may send it by mail, but it must be received and filed by the Clerk by this date.</p>	<p>And mail a copy of the objection to the Administrator at the following address so that it is postmarked by [30 days before the final approval hearing]:</p>
<p>Court</p>	<p>Administrator</p>
<p>Clerk of Court 219 S. Dearborn Street Chicago, Illinois 60604</p>	<p style="text-align: right;">Settlement</p> <p>PO Box _____ _____</p>

19. What's the difference between objecting and asking to be excluded?

Objecting is simply telling the Court that you don't like something about the settlement. You can object only if you stay in the Class. Excluding yourself is telling the Court that you don't want to be part of the Class or the settlement. If you exclude yourself, you have no basis to object because

the case no longer affects you. If you object, and the Court approves the settlement anyway, you will still be legally bound by the result.

THE COURT'S FINAL APPROVAL HEARING

The Court will hold a hearing to decide whether to approve the settlement. You may attend and you may ask to speak, but you don't have to.

20. When and where will the Court decide whether to approve the settlement?

The Court has scheduled a Final Approval Hearing at [insert time] __.m., on [insert date], at the United States District Court for the Northern District of Illinois, [address], Courtroom _____, Chicago, Illinois. At this hearing, the Court will consider whether the settlement is fair, reasonable, and adequate. If there are objections, the Court will consider them at that time. The Court may listen to people who have asked to speak about their objection. The Court may also decide how much to award Class Counsel for fees and expenses for representing the Class and how much to award the Class Representatives as service awards. At or after the hearing, the Court will decide whether to approve the settlement. It is not known how long this decision will take. Check the settlement website before to make sure the hearing hasn't been rescheduled, or to see whether the Court has scheduled the hearing to proceed by video conference or teleconference only, instead of in person.

21. Do I have to come to the hearing?

You are not required to attend, and Class Counsel will answer any questions that the Court may have. If you wish to attend the hearing, you may come at your own expense. You may also pay your own lawyer to attend, but it's not necessary, unless you choose to have a lawyer appear on your behalf to object to the settlement.

22. May I speak at the hearing?

If you submitted a proper written objection to the settlement, you or your lawyer acting on your behalf may speak at the Final Approval Hearing. You cannot speak at the Hearing if you exclude yourself.

IF YOU DO NOTHING

23. What happens if I do nothing at all?

If you do nothing, you'll get no payment from this settlement. But, unless you exclude yourself from the settlement, you won't be able to individually sue for the claims resolved in this case.

**[PROPOSED] ORDER AND FINAL JUDGMENT GRANTING FINAL APPROVAL TO
CLASS ACTION SETTLEMENT**

The claims of the Representative Plaintiffs, Danshir, LLC and Danshir Property Management, LLC, (the “Representative Plaintiffs”) against the Defendant, Greater New York Mutual Insurance Company, (“GNY” or the “Defendant”), have been settled, individually and on behalf of a class of policyholders of GNY, pursuant to the Stipulation and Settlement Agreement signed by the Parties in March 2023 (the “Agreement”). On **XXXXXX, 2023**, the Court granted preliminary approval of the proposed class action settlement set forth in the Agreement (the “Settlement”) and provisionally certified the Settlement Class for settlement purposes only.

On **XXXXXX, 2023**, the Court held a duly noticed final approval hearing to consider: (1) whether the terms and conditions of the Agreement are fair, reasonable and adequate; (2) whether judgment should be entered for the claims of the Representative Plaintiffs, including the claims of Class Members who have not requested exclusion from the Settlement Class; and (3) whether, and in what amount, to award attorneys’ fees and expenses to Class Counsel and a service award to the Representative Plaintiffs.

THEREFORE, IT IS HEREBY ORDERED, ADJUDGED and DECREED that:

1. The terms and conditions of the Agreement, which were attached to the motion for preliminary approval filed with the Court, are hereby incorporated as though fully set forth in this Judgment, and unless otherwise indicated, capitalized terms in this Judgment shall have the meanings attributed to them in the Agreement.

2. The Court has personal jurisdiction over the Representative Plaintiffs, the Defendant, and Class Members. Venue is proper and the Court has subject matter jurisdiction to approve the Agreement including all exhibits thereto, and the Court has jurisdiction to enter this Judgment. Without in any way affecting the finality of this Judgment, the Court retains jurisdiction as to all matters relating to administration, consummation, enforcement, construction, and interpretation of the Agreement and of this Judgment. Further, the Court retains jurisdiction to protect, preserve, and implement the Agreement, including, but not limited to, enforcement of the releases contained in the Agreement, and to enter such further orders as may be necessary or appropriate in administering and implementing the terms and provisions of the Agreement.

3. The Settlement was negotiated at arm's length, by experienced counsel who were fully informed of the facts and circumstances of this Action and of the strengths and weaknesses of their respective positions. The Settlement was reached after the Parties had engaged in extensive and multiple settlement negotiation sessions after exchanging complete class member data regarding the amounts of costs withheld from actual cash value payments and the dates of withholding. Counsel for the Parties were, therefore, well positioned to evaluate the benefits of the Settlement, considering the risks and uncertainties of continued litigation, the time and expense that would be necessary to prosecute the Action through class certification, trial and any appeals that might be taken, and the likelihood of success.

4. The Court finds that the prerequisites for a class action under Federal Rule of Civil Procedure 23 have been satisfied, for settlement purposes, in that: (a) the number of Class Members is so numerous that joinder of all members is impracticable; (b) there are questions of law and fact common to the Settlement Class, which common questions predominate over any questions affecting only individual members; (c) the Representative Plaintiffs and Class Counsel have, and will continue to, fairly and adequately represented the interests of the Settlement Class for purposes of the Settlement; and (d) a class action is an appropriate method for the fair and efficient adjudication of the controversy. Accordingly, and pursuant to Federal Rule of Civil Procedure 23, this Court hereby finally certifies the Settlement Class.

5. Pursuant to Federal Rule of Civil Procedure 23, the Court hereby finally certifies the Settlement Class for settlement purposes only, as identified in the Settlement Agreement, defined as follows:

- a. "Settlement Class" means: All policyholders under any commercial lines property insurance policy issued by GNY who made a covered Structural Loss claim for property located in the State of Illinois during the applicable Class Period, as defined below, and who were issued an ACV payment where Nonmaterial Depreciation was withheld. Settlement Class also includes commercial policyholders for which an ACV would have been made but for the withholding of Nonmaterial Depreciation causing the loss to drop below the deductible.

- b. Excluded from the Settlement Class are:

Policyholders whose claims arose under labor depreciation permissive policy forms, *i.e.*, those forms and endorsements expressly permitting the "depreciation" of "labor" through use of those express terms within the text of the policy form. And any Policyholders whose claims arose from any other policy forms, endorsements, or riders expressly permitting the Nonmaterial Depreciation;

Policyholders who received one or more ACV payments for claims, but not replacement cost value payments, that exhausted the applicable limits of insurance;

Policyholders whose claims were denied and/or abandoned without ACV payment;

Policyholders whose claims are, or have been, litigated by or against GNY in Illinois state or federal court;

- a. The Court finds that the Class Notice, the establishment of an automated toll-free, interactive, voice response phone system, and the Settlement website, all as provided for in the Settlement Agreement and the Preliminary Approval Order, (i) constituted notice that was reasonably calculated, under the circumstances, to apprise Class Members of the Settlement, their right to object or to exclude themselves from the Settlement, and their right to appear at the Final Approval Hearing; (ii) were reasonable and constituted due, adequate and sufficient notice to all persons entitled to be provided with notice; and (iii) complied fully with all legal requirements, including the requirements of Federal Rule of Civil Procedure 23, the United States Constitution, the Rules of this Court, and any other applicable law.

b. Class Counsel has filed with the Court an affidavit from Atticus Administration LLC Administration, the independent third-party Administrator for the Settlement, establishing that the Class Notice and Claim Form were mailed to Class Members on XXXXX, 2023, the Settlement website was established on XXXXXX, 2023, and the telephone line available for Class Members to call was available beginning XXXXX, 2023. Adequate notice was given to the Settlement Class in compliance with the Settlement Agreement and the Preliminary Approval Order.

9. Persons who wished to be excluded from the Settlement Class were provided an opportunity to request exclusion as described in the Class Notice and on the Settlement website. The Court finds that the individual interests of the persons who timely sought exclusion from the Settlement Class are preserved and that no person was precluded from being excluded from the Settlement Class if desired. Those persons who timely and properly excluded themselves from the Settlement Class are identified in the attached Exhibit 1.

10. Defendant has complied with all notice obligations in connection with the proposed Settlement.

11. XXXXX objections to the Settlement were filed.

21. The Released Claims of Representative Plaintiffs Danshir, LLC and Danshir Property Management, LLC, individually, and on behalf of the Settlement Class, are hereby settled, compromised, and resolved against the Defendant without fees (including attorneys' fees) or costs to any party except as otherwise provided in this Judgment.

22. The Parties are hereby directed to implement and consummate the Settlement, according to its terms and provisions, as may be modified by Orders of this Court. Without further order of the Court, the Parties may agree to reasonable extensions of time to carry out any of the provisions of the Agreement, as may be modified by the Preliminary Approval Order or this Judgment.

23. Upon completion of all the terms of the Agreement, Plaintiffs shall file a satisfaction of judgment.

24. The Court hereby enters Final Judgment, as described herein, and expressly determines that there is no just reason for delay. Without impacting the finality of this Judgment, the Court shall retain jurisdiction over the construction, interpretation, consummation, implementation, and enforcement of the Agreement and this Judgment, including jurisdiction to enter such further orders as may be necessary or appropriate.
